## Introduction

---

This bibliography was commissioned by the Office for the Community and Voluntary Sector and the Committee for the Study of the New Zealand Non-profit Sector.

Compiled by Jackie Sanders, Mike O'Brien and Margaret Tennant of Massey University, the bibliography provides a listing of key articles, working papers and books on the New Zealand non-profit sector.

These resources were identified while undertaking the qualitative research published in *Defining the Non-Profit Sector: New Zealand* (2006) and *The New Zealand Non-profit Sector in Comparative Perspective* (2008).

The research is part of an international study by Johns Hopkins University, Baltimore, of the non-profit sector in over 40 countries.
